I hereby authorize the Board of Education to deduct from my salary my professional dues, assessments and voluntary contribution to KPAC, as these sums are established or suggested annually to the local NEA-affiliated teachers association, as indicated above, and to forward such amounts to that local association. This authorization is to continue in force unless revoked by me for a succeeding membership year by giving written notice to that effect to my local association on or before August 10. I understand that if my employment is terminated prior to the deduction of the amounts authorized herein, the unpaid portion of dues, assessments and KPAC will be deducted from my final check.

*The \$20 PAC contribution will be shared with local and state political action committees for them to support candidates for state and local office. Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund. A member may request and obtain a refund for a state PAC contribution by completing a form available at his or her local association or UniServ office. Whether a member contributes to PAC or not will not affect his or her membership status, rights, or benefits in NEA, Kansas NEA, or any of their affiliates.
