

Contact KNEA first for quality professional development training & services

Review the many quality professional development resources available through the Kansas National Education Association. Plan now to request KNEA resources and assistance.

Created by teachers and KNEA staff, these effective, user-friendly trainings are eligible for Individual Development Plan (IDP) points.

The KNEA Educator's Resource Library has additional staff development resources.

www.knea.org

Now available:

- **The Teacher's Guide to the Kansas Performance Assessment** – From the “basics” to training for support providers and everything in between.
- **“I Can Do It”** classroom management training.
- **Bullyproof** – provides harassment prevention strategies for K-12 teachers to use with their students.
- **PDC Training** by the KNEA/Greenbush Professional Development Cadre – what every PDC member needs to know about the Professional Development regulations and the Kansas Staff Development Standards.
- **The KEYS Online Survey** provides data for school improvement planning; a continuum of support services are available once the data is generated.
- **KNEA's Quality Public Schools Cadre** – leaders and members with specialized training who are available to help with school improvement efforts.
